Dear Parent/Guardian:

With parental/guardian permission, students are able purchase any food item from their cafeteria accounts. Without parental/guardian permission, students may only purchase meals from their account. No changes will be made unless a parent/guardian specifically requests the change in writing.

Permission slips from last school year are now expired. In order to resume having full account access, students must return permission slips to the cafeteria manager as soon as possible. Parents may continue to restrict or unrestrict accounts anytime during the school year.

If you want your child to be allowed to spend the money in their account as they choose, please fill out the form below.

If you *do want* your child to use the money on their account for extra purchases, you can have his/her account unrestricted by filling in the following information and returning this paper to your child's cafeteria.

Please unrestrict my child's account.
